Hi Tom, we have an email request from Phoenix Area Indian Health Service for an EPA contact. Are you the right person? If not, who can I direct this inquiry to?

Thanks!!

CAPT Knowles, I am contacting you to inquire as to whether you have an EPA contact that might be available for us here at PHX Area in case our Tribes are affected by the mine release. I know you are quite busy with this but in the spirit of being proactive, we are monitoring the SitReps and data as it is released just in case the pollutants reach our AZ Tribes. I also realize the complexity and sensitive nature of the information. Thank you in advance for your help.
